

# Milwaukee Social Club Summer Volleyball League Update

We are very sorry to announce that MSC will not be affiliated with any volleyball leagues at Bradford Beach for 2011. This is unfortunately not our decision as the private organization that runs the beach has eliminated all three groups that ran leagues for the past three years and decided to run all leagues themselves.

To clarify, there are still leagues at the beach but none of them will be managed by MSC.

This is obviously quite disappointing for us as we put a lot of time and effort into making those leagues fun for everyone and I hope you and your players agree. Considering MSC beach volleyball grew from just six teams to almost 100 teams in just two years, things were obviously going well and we were doing something right. This was also proved by the very high rate of returning teams. With the large size of the leagues, we heard from very many players on how great a job we did organizing things on a weekly basis. It was great to be a major part of the resurgence of Bradford Beach and we appreciate our history running leagues there for many years.

We hope things will change in the future for MSC to return to Bradford, but for the mean time we have instead lined up a bunch of leagues at new locations for the summer of 2011. One major benefit of these new leagues is that they are spread around the Metro Milwaukee area and could be much closer to where you live or work. We have heard this request in the past to do more leagues in various areas of town and now that gas prices are so high this becomes even more important.

## CONFIRMED LOCATIONS FOR SUMMER 2011

- BAY VIEW - Beulah Brinton Field / Park  
(later start times as we can play under the lights)
- WAUWATOSA – Enderis Park
- WAUKESHA – Frame Park (downtown along the Fox River)

## POSSIBLE ADDITIONAL LOCATIONS TO BE ADDED

(All tentative)

- Shorewood - Atwater Beach
- Bay View – South Shore Park (grass league)
- West Allis - Liberty Heights Park
- Greenfield – Konkel Park

If you enjoyed your time playing through Milwaukee Social Club - managed leagues at Bradford Beach, we'd appreciate you passing on your testimonial to the people that matter: Milwaukee County Parks
